

DESIGN PACKAGES

Flooring, paint colours, furniture, window coverings, counter tops, tile, lighting, and everything in between... This all needs to tie in together. Can Do More Painting - Renovation and Design can help you make the right choices for your personal taste. You'll receive professional guidance provided by our experienced designers. In turn, you'll have the assurance you need to make colour choices with phenomenal results.

Can Do More Painting - Renovation and Design is a unique company that works within the realm of design. We offer on-site consultations to determine your likes and dislikes, your taste and style and the overall goals you have for your design project. Then we use our years of experience to analyze your information and create a custom palette of recommended options from which you can choose. The result is a design and selections you love and are confident about using.

Selecting the right design firm is so important because it sets the project in the right direction from the beginning. That's why we are proud to partner with Debutante design.

Debutante Design is a premier service offering that provides top-notch interior design solutions for Can Do More's renovations. With a focus on creating aesthetic and functional spaces, Debutante Design specializes in interior design, space planning, cabinet design, furniture selection, color consultation, lighting layouts, and more. Whether

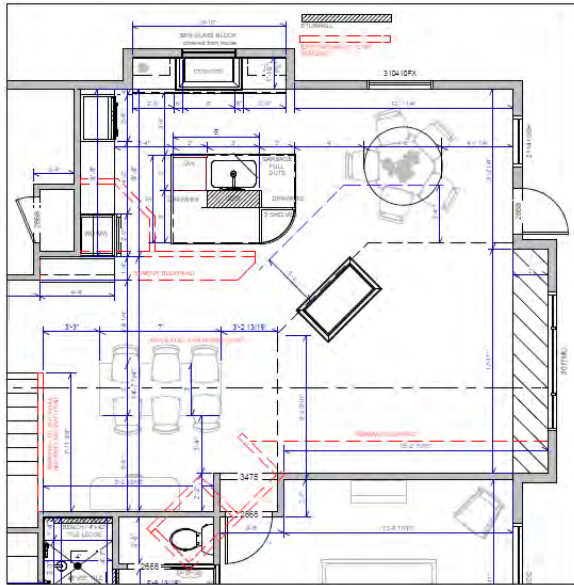

you're looking to completely transform your living space or just want to add some finishing touches to your home, Debutante Design has the expertise and experience to bring your vision to life.

Together we have created a variety of packages for you to choose from depending on your renovation. We have drawing packages to help you plan the new layout and we have selection packages to help you make all the right finishing decisions. For additional options to include a furniture layout with all the old and new combined to ensure everything will fit properly in the new space.

If you're not sure where to start, our initial in-home consultation is perfect for you. The cost for the initial consultation is \$195.00. During that time, you may learn everything you need to know. However, if after that meeting you decide you would like to move forward with one or more of the other packages, we will be happy to plan the next steps with you.

HOURLY DESIGN SUPPORT PACKAGE

For the client that can do most of the legwork but needs a little support pulling it all together.

WHAT IS INCLUDED:

- During the site visit, the client will present the selections they have already made and other samples gathered. Our designer will support the design process by offering design-based recommendations for these preselected products and suggesting complementary paint colors. After the visit, we will send an email summarizing all the recommended selections.
- The consultation can take place in the design studio or in the client's home.

DESIGNER RESPONSIBILITY:

- The designer will arrive with:
 - Benjamin Moore Paint Fan Kit
 - Grout colour samples
 - Schluter colour samples
 - Fixture finish samples
 - Promotional and popular handle samples
 - Prefinished door samples (if applicable)
- The designer will take direction from the client and provide support on what is requested on an hourly basis.
 - The designer will take notes and list the selections in a summary email after the consultation.

CLIENT RESPONSIBILITY:

- The client will need to understand what selections need to be made and gather samples so the designer can offer design-based recommendations
